

Corporate Governance Policy
By
United Palm Oil Industry Public Company Limited

The Securities and Exchange Commission (SEC) with the collaboration of the Task Force for Sustainability in Listed Companies has developed the Corporate Governance Code 2017 (the “CG CODE”) by integrating Environmental, Social, and Governance issues (ESG) into the business process for the Board of Directors, as the leader and governing body of a listed company, who can apply as a guideline to supervise the listed company to conduct the business with integrity, respect for the rights, responsibilities for stakeholders, development or reduction of negative impacts on the environment as well as the adaptation to any changing conditions. This is in accordance with sustainable development under the philosophy of Sufficiency Economy.

United Palm Oil Industry Public Company Limited (UPOIC) recognises the importance of Corporate Governance Code in promoting transparency in UPOIC’s operations, fair and equitable treatment to all stakeholders as well as an efficient management system in parallel with Corporate Social Responsibility aiming at the Company’s long-term sustainable value creation. The Board of Directors therefore considered the application of the CG CODE Principles as deemed appropriate, and resolved to apply the Principles by means that are suitable for the Company’s business. If any of the Principles cannot be applied or are not applicable, an explanation shall be provided at the Board Meeting.

8 Principles of the Corporate Governance Code

Principle 1	Establish Clear Leadership Role and Responsibilities of the Board
Principle 2	Define Objectives that Promote Sustainable Value Creation
Principle 3	Strengthen Board Effectiveness
Principle 4	Ensure Effective CEO and People Management
Principle 5	Nurture Innovation and Responsible Business
Principle 6	Strengthen Effective Risk Management and Internal Control
Principle 7	Ensure Disclosure and Financial Integrity
Principle 8	Ensure Engagement and Communication with Shareholders

3. Succession Plan

The Company has prepared for succession plan by recruiting management trainees to develop knowledge and ability for being company future executives. In addition, the Company assigns the following persons to take charge and act on behalf in case the Managing Director is unable to function, namely,

1. Finance and Accounting Manager to act and make decision regarding the finance and accounting of the Company and its subsidiaries;
2. Ms. Piyathida Sukchan to act and make decision in other matters of the Company and its subsidiaries.

Principle 5 Nurture Innovation and Responsible Business

1. Nurture Innovation

The Board of Directors prioritises and promotes research & technology development and innovation that create value for the business together with the benefits for its customers, other stakeholders, society, and the environment, in support of sustainable growth of the Company. The Board also supervises the management to allocate and manage resources efficiently and effectively throughout all aspects of the value chain to enable the Company to meet its objectives with sustainability.

2. Role of Stakeholders

The Company has a policy that recognises the rights and interests of all groups of stakeholders whether they are employees, shareholders, creditors, customers, trade-counterparts, competitors, community and society. The expectations of one group of stakeholders may be different from another group. Therefore, the Company shall ensure that the rights of each group will be protected according to relevant laws and handled carefully and with sensitively. Procedures are stated as the Company's policy namely Policy and Practice toward stakeholders, and published on the Company's website as follows:-

- Policy and Practice toward shareholders

- Policy and Practice toward the intellectual property and copyright
- Policy and practice towards quality, safety, and occupational health
- Policy and Practice toward anti-corruption and bribery

Furthermore, the Company has implemented various standards from the quality management system to enhance focusing on role of stakeholders such as:-

- ISO 9001 : 2015 is the Quality Management System (QMS) which governs the design, production development, installation and service in order to assure the quality. This system ensures all processes have been controlled and inspected by documentation indicating working procedure. Therefore, it is confident that all employees recognise their roles, responsibilities and working process.
- ISO 45001 is the standard for occupational health and safety management systems in workplace which protect employees from accidents and occupational diseases. This system is the method to control and reduce hazard and risks from working that affect health, life and properties.
- ISO 14001 is the environment management system which is most recognised by worldwide organisations. This standard has objective for enhancing the awareness of the importance for environmental management together with business development focusing on preventing pollution and protecting environment. These lead to reduce environmental impact and production costs.
- Roundtable on Sustainable Palm Oil (RSPO) is the standard for the sustainable palm oil production taking into recognition of the impacts on stakeholders especially the forest as being the source of water. This standard applies throughout the supply chain from upstream to producers.

The Company conducts its activities with the concern of safety, health and environment. Management and employees at all levels have committed to carry out their functions with responsibility. In 2020, there were 8 accidents. However, there was no any death in workplace.

On 26 August 2020, a fire broke out in a crude palm oil processing plant in Krabi. Inspection teams presented assessment results confirming that the cause was malfunctioned electrical systems in fire control panels of digester and screw press machine on the 2nd corridor. The fire was not caused by the negligence or intentional torts. This incident caused a halt in the crude palm oil production line, requiring repair and maintenance work for 82 days. The Company started to bring machines into operation again on 16 November 2020.

3. Human Resources Development Policy

The Company commits to support and maintain working environment enhancing their efficient contributions. The Company engages in teamwork building and continuous improvement to ensure high performance of human resources as it is believed that the continuous development would strengthen their capability and competence, following an increase in efficiency of the operation and serving customer satisfaction along with building awareness of all employees on the professional ethic.

In 2020, the average training hours of employees was 4.85 hours / person and there were a total of 14 training courses provided to employees including the training on environmental management. The training courses included the issue of Roundtable of Sustainable Palm Oil (RSPO) and environmental management by focusing on the maximum benefit of resource usage. Furthermore, the Company applies various media used in public relations, providing knowledge and understanding about energy savings and environmental friendly, which are communicated directly and through the training in following major courses:-

- **Environmental Management Course for ISO 14001 and Roundtable of Sustainable Palm Oil (RSPO)** is to provide the knowledge about environmental management and RSPO to meet the standard. All new employees are required to learn the environmental management and RSPO. In 2020, there were 2 employees attending these courses.
- **Occupational Safety Course** is to provide the knowledge about practice and compliance with rules and regulations including the law related to the safety standard. In 2020, there were 6 employees attending this course.

4. Anti-Corruption Policy

The Company Group has announced an official anti-corruption policy which was reviewed and approved by the Board of Directors. The details are as follows:

“Directors, management, and employees of the Group are prohibited from requesting, performing or accepting corruption in any form, whether directly or indirectly. This shall be applicable to all business units of the Group. Regular reviews on compliance with the anti-corruption policy shall be made, as well as reviews on implementation to ensure compliance with the policy, practices, regulations, rules, notifications, and laws. In case of breach of the policy, any act considered as facilitative to, or implicated in corruption, shall be subject to penalties as stipulated by the Group policies.”

Communication and public relation activities under anti-corruption policy including complaint/suggestion making and whistle-blowing channels are carried out via both internal and external media e.g. electronic mail, announcement, the Group’s website, annual report, orientation for directors and employees including arranging a discussion on yearly basis to ensure mutual understanding among employees. Such policy is complied with the law of Thailand for the actions against corruption.

In each year, the risk management committee evaluates the potential risk of corruption and reports the concerns to the Audit and Corporate Governance Committee and the Board.

5. Practice towards oversight and control for safeguarding and monitoring the corruption risk

The Company establishes the practice towards oversight and control for safeguarding and monitoring the corruption risk summarised as follows:-

1. To provide internal control system, internal audit function, and risk management covering key business functions such as accounting, payment, procurement in order to prevent and monitor the corruption risk as well as to recommend any appropriate solutions
2. To put in place complaint-making and whistle-blowing channels, covering complaint-filing, verification, and summary of findings, together with protection of the complainants and related parties. The purpose is to handle complaints, comments, or suggestions from stakeholders that are affected or potentially affected by the Group's business or conduct of its directors, executives, or employees resulting from law-breaking or violation of the code of conduct, as well as suspected corrupt practices.

The Group will keep their complaints confidential and not disclose them to unrelated parties except when required by law.

Those with knowledge of complaints or related information must maintain confidentiality and not disclose it except when required by law. If this is intentionally violated, the Group will punish them under its regulations or the law, or both, as seen fit.

3. Executives in each unit are responsible for monitoring the progress of the complaint and report to the Audit and Corporate Governance Committee and the Board of Directors for acknowledgement.

6. Guidelines for monitoring and evaluating the actions to prevent the involvement in Corruption

The Company establishes the following guidelines for monitoring and evaluating the actions to prevent the involvement in corruption.

1. The Company's internal audit unit is assigned to conduct auditing according to the annual audit plan which is approved by the Audit and Corporate Governance Committee, and report any significant issues including provide recommendations to the Audit and Corporate Governance Committee.
2. Relevant business unit is required to regularly monitor and evaluate the corruption risk to ensure the effective implementation of the anti-corruption policy including follow up, review, and improve the policy from time to time. The risk evaluation result must be reported to the Risk Management Committee, the Audit and Corporate Governance Committee and the Board of Directors respectively in a timely and consistent manner.
3. In fact-finding process, if the information from the investigation or complaints have shown an explicit evidence which may have a significant impact on the financial position and the operating performance of the Company including the violation of law or code of business conduct, or any suspicious issues in the financial report or internal control system, the Audit and Corporate Governance Committee shall report the concerns to the Board of Directors for further improvement and correction.

Principle 6 Strengthen Effective Risk Management and Internal Control

1. Risk Management

The Board of Directors realised the importance of the Risk Management. Therefore, in 2017, the Board approved to formalise the Risk Management Committee comprising senior managements. Duties and responsibilities of the Risk Management Committee were presented in Principle 3 item 3.4. The Management then has to evaluate the risk in every unit and work process, assess the efficiency and existing control measure, and propose plan and method to reduce risk to the Board of Directors.

2. Controlling System and Internal Audit

In order to have an independent internal auditing which can be fully functioning, the Audit and Corporate Governance Committee arranged for the Company to hire an outside firm which is an audit firm in the list approved by the SEC to do the auditing, to ensure that the operations, financial activities of the Company have complied with the guidelines effectively, including compliance with the law and regulations (Compliance Controls).

The Audit and Corporate Governance Committee has appointed Dr. Virach & Associates Office to be the Company's outsourced internal auditor. The service contract is subject to the renewal on yearly basis. The internal auditor shall report directly to the Audit and Corporate Governance Committee every quarter.

3. Conflict of Interests

3.1 Prevention of use of inside information

To prevent directors and executives from using inside information for personal gains and disclose it to outside parties, the Company sets the following rules:-

- Executives shall report their holding of UPOIC's shares and report change of holding to the SEC according to section 59 of the Securities and Exchange Act B.E. 2535 within 3 days of the transaction date and handing copy thereof to the Company Secretary as well as report shareholding to the Board every quarter. Future change of law (if any) shall also enforceable.

"Executives" means directors, managers or first 4 management officers ranking immediately below the Managing Director. This shall include management level of accounting or finance officers or equivalence who have the duty to prepare and file report of shareholding in his own name, spouse and minor child to the SEC.
- Directors, executives, managers and employees who have access to inside information shall be prohibited from disclosing such information to outside parties who has no duty involving the Company and shall refrain from buying and selling UPOIC's shares in the period of one month prior to the Company's financial statements being announced and at least one day after the date of the financial statements being disclosed.

- Directors, executives, managers and employees shall be prohibited from using inside information that may materially affect the UPOIC share price, which has not yet disclosed to the public, for personal gains and/or persuading other persons to buy or sell UPOIC shares. The Company shall take action against violation of the rule which shall be punishable by law.
- In case directors, executives managers and employees intentionally commit any criminal act according to law on securities and exchange, the Company shall punish the violators by any one or more penalties as follows:-
 - cut wages or compensation or other benefits
 - layoff, dismiss, or discharge from the post of director, executive, manager and employee as it would be deemed intentionally causing damage to the Company. In case the violator is a director, the matter shall be submitted to the shareholders' meeting to consider the penalty.
 - report the violation to the SET and/or the SEC
 - report to the police to take action according to the law
 - take other measures according to the resolution of the Board or the shareholders' meetings.

3.2 Approval of transaction containing conflict of interest

Directors, executives, or other persons, who enter into related party transaction or transaction containing potential conflict of interest and transaction regarding acquisition or disposal of material assets as defined by the Notifications of the SEC and the SET which are in force on the date of such transaction, shall strictly follow the Notifications. The Company has set the criteria to approve the transaction as follows:-

- (1) Person with interest or potential conflict of interest shall refrain from approving such related transaction;
- (2) The price or compensation for such transaction shall be under normal business terms and conditions with the benefit of the Company as the main consideration;
- (3) The Audit and Corporate Governance Committee shall review and give opinion prior to the transaction. If the Audit and Corporate Governance Committee has no expertise in the matter, the Company shall arrange to have independent expert to give opinion to the Audit and Corporate Governance Committee which will be used to review the matter before submitting to the Board and the shareholders' meeting for approval.

However, in order to facilitate normal business transaction, the Board has approved in principle to allow the management to do the transaction between the Company and its subsidiaries if the transaction falls into the following categories:-

1. Being a transaction with the same commercial terms as those an ordinary person would agree with any unrelated counterparty under the similar circumstances, on the basis of commercial negotiation and without any dependent interest resulted from the status of the director, executive or related person;
2. Being reasonable advance payments occurring in the normal course of business operation and with reimbursement on an actual basis.

The management shall report transaction with value over 500,000 Baht which will be reviewed by the Audit and Corporate Governance Committee before presenting to the quarterly Board meetings.

- (4) The Company shall disclose the transaction according to the rule and procedure set out by the SEC and the SET.

3.3 To disclose information on the interest of directors, executives, and related persons

In order for the Board to make decision based on the common benefit of the Company and to have directors, executives who have transaction with interest involving the Company business to comply with the Notification of the Capital Market Supervisory Board no. Tor Jor. 2/2552 re: Reporting of interest of directors, executives and related persons, the Company sets the following rules:-

- Directors, Executives and related persons who have transaction with interest in relation to management of the Company or its subsidiary with the value of 1 million Baht or more, or 0.03% of the Net Tangible Assets (NTA) of the Company or its subsidiary, whichever amount is higher, shall file a report to the Company Secretary, according to the report form, within 7 business days from the date of transaction. Every time when there is a change of the transaction, such change must be reported within 7 business days from the date of change.
- The Company Secretary shall submit a copy of the report on interest under paragraph 1 to the Chairman of the Board and Chairman of the Audit and Corporate Governance Committee within 7 business days from the date of receipt of such report.
- Directors and Executives who have interest in any meeting agenda item which is under consideration shall not participate in making decision and shall leave the meeting room. The Company will not send document related to the said agenda to such interested persons.
- The Company shall disclose such interest in the annual report and Form 56-1.

3.4 Mechanism for stakeholders to do whistle blowing or make complaints

In case that stakeholders require to do whistle blowing or make any complaints to the Company, the below channels have been set up as the guideline.

1. **Provide channel for stakeholders to do whistle blowing or make complaints :** Any stakeholder wishes to communicate to the Board of Directors directly without passing through the management of the Company to express his opinions about the operation of the Company's business including whistle blowing or complaints such as incorrect financial report, violation of the law or ethics or deficiency of internal control system, etc. may address his communication directly to the Audit and Corporate Governance Committee.

The Implementation of Corporate Governance Code for Listed Companies

The Company has reviewed the Corporate Governance Policy, developed from the 2012 Good Corporate Governance Principles for listed Companies in aligning with the guideline set by the Stock Exchange of Thailand, and the 2017 Corporate Governance Code for Listed Companies as prescribed by the Office of Securities and Exchange Commission. After consideration, the Board of Director founded that the Company has adopted most of 8 principles that are suitable for the Company's business.

However, there are some principles that the Company has not adopted or put into practice, which the management clarified the reasons at the Board Meeting to adjust and ensure the suitability for the Company's business at the next step. The key non-conformed principles are included as follows:-

Principles not exercised	Reasons for not exercising
The Board of Directors to determine that independent directors can continually assume director positions for not longer than 9 years since the date of the first appointment	Every Director has knowledge, capability, experience and an understanding in the business operation, with independence in expressing opinions deemed beneficial for the Company. The experience of Directors from long-term tenure will support them to understand the Company's operation which has the particular nature of business.
To determine a minimum quorum of at least 2/3 when the Board making the decision	According to the Company's AOA, at the Board Meeting, there must be presented not less than one half of the total number of Directors to form a quorum which is legitimacy and compliance with international principle. With such principle, it is able to conduct meeting orderly, transparency and efficiency.
At least one member of Audit Committee should be educated or have experience in Accounting e.g. Certified Public Accountant (CPA), Continuing professional development (CPD).	Even though no member of Audit and Corporate Governance Committee is educated or has experience in Accounting in particular, most of the members have experience in finance and fiscal management, which is adequate for the current business scope of the Company while still ensuring efficiency of the audit and corporate governance functions.
The Board members not comprise independent directors more than 50%	The Board of Directors comprises 7 members, 3 of whom are independent directors (representing less than 50% but more than one-third of the total number of Directors), and the Chairman of the Board is an independent director. Such composition is considered to reflect the appropriate balance of power. In addition, independent directors are able to work effectively with all directors with independence in expressing their opinions.
